In this world, I am the only Queen of the Nasods

So... won't you show me the way to revive the Nasods?

I cannot access its full power because of the conflict with my emotion circuit
The Battle Seraph Code that I have to execute now...
I will be reborn by throwing away the emotions that are leading me astray
Therefore, to complete the code and to pursue the revival of the Naseds, I will shut down the emotion circuit
You... will always be our companion!
It is my duty as a Queen to do so for the sake of the revival of my race
